COLLEGE OF
PHLEBOLOGY

POTENTIAL CONFLICT OF INTEREST OR FINANCIAL AFFILIATION

You are required to declare at the beginning of your presentation, any financial affiliations or a potential conflict of interests. The issues relate to affiliations with companies who manufacture or promote therapies or products mentioned in the presentation or in companies who manufacture competing therapies or products.

Nature of Affiliation	Yes	No
Ownership of stock or stock options or other financial instruments of companies whose therapy or products are mentioned in the presentation or of companies who manufacture or promote competing therapies		
Paid consultancy with company or a competitor (actual or within the last 5 years)		
Employment with company or competitor (actual or within the last 5 years)		
Honorarium, financial return or other compensation for presentations, writing articles or for participating in the development of any therapy discussed in the presentation		
Honorarium or other compensation for conducting research related to material contained in the presentation		
Speaker fees and/or educational grants		
Travel assistance to attend meetings		

If the answer to any of the above questions is "yes", please provide details to the forum/audience at the beginning of your presentation.
